No Patchwork!

One of the most encouraging features of a cure made by S.S.S. (Swift's Specific) is its permanency. Of all diseases, it is well known that those of the blood are the most obstinate, and therefore the most difficult to cure. The medical profession, in fact, have virtually admitted that a real, deep-seated blood disease is beyond their skill.

Of course, their admission is not made in so many words, but actions speak louder than words, and their inability to cure, after months and often years of treatment, is sufficient evidence that diseases of the blood cannot be cured by doctors. Their mercurial mixtures, although taken faithfully, only cover up the symptoms of the disease, inducing the patient to feel that he is being cured; but when he is sooner or later seized with stiff joints, pain in the bones, etc., the evidence of the doctor's patchwork is conclusive. Such results cannot be expected from the use of S. S. S. Being purely vegetable, containing no harmful mineral ingredients, it is the only blood remedy which acts on the true principle of forcing the disease from the system, building up rather than tearing down the health. No loss of hair, no stiff joints, no decrepit mercurial wrecks result from the use of S.S.S.

H. L. MYERS.

Mr. H. L. Myers, of 100 Mulberry street, Newark, N. J., made the mistake of relying upon remedies based upon mineral ingredients, and for the hundreds of dollars which he invested received only disappointment in return. He says:

"I was afflicted with a terrible blood disease, which was in spots at first, but afterwards spread all over my body. These soon broke out into sores, and it is easy to imagine the suffering I endured."

"Before I became convinced that the doctors could do no good I had spent a hundred dollars, which was really thrown away. I then tried various patent medicines, but they did not reach the disease. When I had finished my first bottle of S.S.S., I was greatly improved and was delighted with the result. The large red blotches on my chest began to grow paler and smaller, and before long disappeared entirely. I regained my lost weight, became stronger, and my appetite greatly improved. I was soon entirely well, and my skin as clear as a piece of glass."

S.S.S. is a sure cure for all manner of blood diseases, and disappointment never results from its use. It is

Purely Vegetable

and one thousand dollars will be paid for proof that it contains a particle of mercury, potash, or other mineral. S.S.S. is sold by all druggists.

Valuable books on blood and skin diseases will be mailed free to all who address Swift Specific Co., Atlanta, Ga.
